AbiBinit: 32 (Reynolds Way) **28** (Town)
Abingdon United FC: 8 (Northcourt Road)
Christchurch: 4 (Oxford Road)
Amy Cleeter: 9 (Daisy Bank)

More litter picking groups will be working throughout March and April.

River & River Bank Litter Pick

Saturday 13th April

Meeting Point: Abingdon Lock
Work Site: Abingdon Lock along the Abbey Meadow area towards the Nags Head Island and beyond, time permitting.
Times: (Approx) 10am till 12.30pm/1pm

This litter pick is being organised with the Kingfisher Canoe Club & Abingdon Cuts Plastic in conjunction with the Surfers Against Sewage Spring Clean Up campaign.

Organising Your Own Group Litter Pick

The council provide litter picking equipment free of charge (for groups) and will deliver and collect. Please give them at least two weeks notice.

Litter picking with others builds camaraderie and community spirit, plus there is the advantage of fresh air, exercise, and sending a message to fellow residents to take pride in their neighbourhood.

Trust us when we say that litter picking is addictive!

Please contact **AbiBinit!** if you would like advice on how to organise a group litter pick.
