

The Friends of Abingdon
Civic Society

Re applications for planning consent:

P12/V0880/A

The Friends of Abingdon Civic Society is not satisfied that the application for the erection of a free-standing gantry sign in front of the Tesco Express convenience store at 15 Oxford Road, Abingdon, is any improvement on the application that was rejected by the Vale Planning Committee in November 2011. The only difference appears to be that the location of the sign has been shifted from the right to the left of the frontage. This commercial sign would be no less obtrusive in this location than it was in the original location, and would still detract from the amenity of residences in the area. Therefore we request the Planning Committee to uphold their previous decision and reject this application.
