

The Friends of Abingdon
Civic Society

To help preserve what is best worth retaining amongst its old buildings and to encourage new building worthy of its civic traditions and character

Re amended application for planning consent:

P13/V0821/FUL 57-59 Stert Street and Abbey Court, Abingdon

The amended plan does not address any of the concerns raised by the Friends of Abingdon Civic Society in its comments on the original application. Therefore our objections to this application still stand.
